Comment from the Mayor... State of the Town

By **HONORABLE
MICHAEL LeVAULT
MAYOR
TOWN OF YOUNGTOWN**

Government exists to enhance quality of life. We choose to live in certain municipalities and neighborhoods based on our perceptions of how our lives would be impacted by living there. Public policy decisions by government drive our perceptions of our towns and neighborhoods. So, how is Youngtown doing; what is its state or condition and how is it impacting our lives?

Youngtown’s premier asset is its location. Halfway between the 101 and 303 freeways and nestled between Grand Avenue on the north and Olive Avenue on the south, Youngtown provides easy access to world-class amenities in downtown Phoenix

and surrounding communities without sacrificing its easy “small-town” ambience.

After a hard day at work or play, we come home to a very safe community, thanks to excellent law enforcement by the Maricopa County Sheriff’s Office (MCSO) and quick responses to fire and medical emergencies by the Sun City Fire and Medical Department (SCFMD).

Our relationship with newly elected Sheriff Paul Penzone and the command officers of District 3 assures us that MCSO service levels will continue to be excellent. A new, state-of-the-art fire station, scheduled to be built later this year in Youngtown, will assure continued excellent response times to fire and medical emergencies.

Thanks to a roll-

ing five-year maintenance program, developed by our public works department, the streets, roads and alleys in Youngtown are in excellent condition. Recent improvements, like the Peoria Avenue straightening at the north entrance to Agua Fria Ranch, continue to enhance mobility and safety. Additional street lights to be erected, later this year, along the Agua Fria Parkway and in neighborhoods in the older sections of Youngtown, will enhance security and safety in our neighborhoods. Youngtown’s involvement in projects, like improving Grand Avenue and the construction of the Northern Parkway, help assure enhanced regional transportation.

A well-run library and several parks, along with the new bike/ped path recent-

ly constructed on the south side of Peoria Avenue, offer residents lots of opportunity for recreation. Projected construction of some 80,000 linear feet of sidewalks in the older neighborhoods of Youngtown, over the next couple of years, will encourage residents to safely interact with each other in their neighborhoods, while enhancing the perception of Youngtown as a truly walkable community. Several new recreational projects, already in the works, are designed to further enhance recreational assets and opportunities.

We continue to cultivate a fertile commercial environment with programs, like our commercial façade improvement grant program, which is gaining momentum and showing some very positive results

throughout the town. Our commercial real estate vacancy rate is low, with several new businesses having recently located in Youngtown, and we continue to work with commercial prospects looking to make Youngtown their home. Our streamlined governmental processes make us one of the easiest municipalities to work with.

Youngtown is financially stable, with a strong rainy-day fund, no debt and fiscal policies designed to weather any storm, and our tax burden on residents is among the lightest in the Valley.

So, what is the state or condition of your town? It’s pretty darned good - fiscally stable, while constantly looking for ways to further enhance quality of life.

Life is good in Youngtown!

In the Works.....Annual street maintenance on the calendar

MARTY MOSBRUCKER
PUBLIC WORKS MANAGER

Annual Street Maintenance:

In the very near future, we will perform street asphalt resurfacing in Town. The areas receiving asphalt resurfacing are as follows: the alleys from Grand Avenue, south to Alabama Avenue will be crack sealed and seal coated. The streets from Grand Avenue south to Alabama Avenue will be crack sealed. The streets in the Agua Fria section of Town will be crack sealed. Peoria Avenue will be crack sealed and seal coated. Restriping of these streets will be to the existing pattern. The inconvenience is greatly worth the end result as asphalt resurfacing will extend the life of the streets, negating the need for extensive and often cost prohibitive milling/overlay or removal/replacement.

Lo que estamos trabajando ahora alrededor de la Ciudad
Mayo 2016

La primavera está aquí y en plena floración! Disfrutar del clima en este momento, ya que pronto será demasiado caliente para estar fuera. Una cosa que podemos definitivamente contar en el desierto de Sonora es el calor del verano.¿Cree que va a ser un verano caliente? Definitivamente!

Prevención de la Contaminación del Aguas Pluviales:

La ciudad cuenta con varias bocas de tormenta que drenan el agua de lluvia en el río Agua Fría. Con el fin de evitar la contaminación de los ríos aguas abajo, la ciudad ha puesto en marcha un programa de manejo de aguas pluviales. Los resi-

dentes tienen que ser conscientes de que es ilegal arrojar contaminantes desagüe de aguas pluviales. Un contaminante es cualquier sólido, líquido, gas u otra sustancia que pueda alterar las propiedades físicas o químicas del agua, incluyendo, pero no limitado a fertilizantes, disolventes, lodos, petróleo y sus derivados, residuos sólidos, basura, materiales biológicos, materiales radioactivos, arena, suciedad, residuos animales, ácidos y bases. Las sanciones civiles y penales pueden ser evaluados a cualquier persona que intencionalmente o por negligencia viole las leyes y reglamentos relativos a la tormenta de drenaje de agua. Nuestro objetivo es permitir que sólo el agua de lluvia fluya por el desagüe de aguas pluviales.

escorrentía de aguas pluviales recogerá contaminantes y el flujo de estos contaminantes en los desagües pluviales. Los residentes y Las Empresas pueden ayudar a prevenir la contaminación de aguas pluviales mediante el uso de fertilizantes con moderación y barriendo las aceras y patios. No tire basura en colector de aguas pluviales. Vegetar espacios vacíos en su patio. Compostar sus desechos de jardín. Sigue la información de las etiquetas del pesticide. Llevar su automóvil para el lavador de autos en vez de lavar en la calzada. Compruebe su automóvil que no tiene fugas y reciclar su aceite de motor. Recoger los desechos de su mascota. Recuerde, sólo el agua de lluvia se permiten las alcantarillas. Más información está dis-

ponible en la biblioteca y en la oficina principal de la ciudad. para aprender más sobre cómo prevenir la contaminación de aguas pluviales. Mantenimiento Anual de la Calle En un futuro muy cercano, vamos a volver a allanar las calles con asfalto en Ciudad. Vamos a poner avisos en su casa y en sus automóvil que están aparcados en la calle cuando se será repavimentación. Las áreas que reciben el rejuvenecimiento de asfalto son los callejones de Alabama Ave y todo el camino al sur a Peoria Ave. Las calles en la esquina suroeste de la ciudad, justo al norte de Peoria Ave., Agua Fría Ranch Parkway y David C. Uribe estacionamiento. Si por lo general aparcar su automovil en la calle por favor no aparcar allí el día de la repavi-

mentación asfáltica. Es importante seguir las instrucciones que aparecen en las cartas de notificación. No manejas alrededor de las barricadas. Por favor, lea las instrucciones de aviso muy atentamente y cumplir con las instrucciones. Si usted tiene alguna pregunta, hay número de teléfono al fondo de la aviso. El inconveniente es la pena el resultado final. Se extenderá la vida de las calles, mantener los costos bajos para la extensa fresado / recubrimiento o de retirada y sustitución. Valor estético es un beneficio adicional como el pavimento recibe una nueva superficie de desgaste del color y la textura uniforme, aumentando los valores de propiedad. ¡Sigue sonriendo! Hasta la próxima vez espero verle alrededor la ciudad.

Town Launches New, More User-Friendly Online Codified Ordinances

The Town of Youngtown has launched a new, more user-friendly on-line Code of Ordinances created by Municode of Arizona. The new on-line format offers easier search capabilities, as well as advanced search functionality. In addition, the end user can easily extract this information in the form of an email, print

or word documents. Every citizen will be able to utilize the code in a mobile format, which means that on any smart phone or tablet, one can search and view the Code of Ordinances – anywhere! Mayor LeVault stated, “The technology Municode has developed will allow Youngtown residents to

more conveniently and efficiently access the legal guidelines of the Town.” Municode is the only responsive hosting application in the industry. The Code of Ordinances can be viewed at the Town of Youngtown’s website at www.youngtownaz.org.

Youngtown Library Activities

Youngtown professional artist, Vaughn Clark Stout, drew caricatures of the Story Time attendees, to put in their “bunny frames”. Mr. Stout knows four languages, (among many talents), and was once an apprentice to Arnold Friberg, known for his religious and patriotic works.

Above, one of our April craft projects was a bunny picture frame.

Right, Violette and her Aunt Florida putting together the bunny frame. Violette was also the winner of the “Guess how many jelly beans are in the jar.”

Friends of the Youngtown Library

The Friends of the Youngtown Public Library are doing the popular \$3.00 per bag SALE all this month, for all hardback and paperback books.
Membership is \$10.00 per year per member. Meetings are the third Friday of every other month. Our next meeting is Friday, May 19th at 9:00 a.m. in the Youngtown Clubhouse.
Thank you for your continued support.

Inaugural Easter Egg Hunt a Success

The Town of Youngtown & the Agua Fria Ranch HOA’s inaugural Easter Egg Hunt was a great success. Children

of all ages from babies to 12 years old, showed up to enjoy the Easter egg hunt. Cody Williams, the Balloon Guy, shared

his superb talent and made balloon animals, hearts, butterflies, etc. Alexis Lebario did face

painting for the children with eggs, bunnies, flowers, cupcakes, and many other creative designs!

West Valley Genealogical Society...

Monthly Meeting
The West Valley Genealogical Society’s next monthly meeting will be held at 1:30 p.m. on May 8th at the First Presbyterian Church. This month’s featured speaker is Jeanne Koniuszy.
Jeanne was born in Pennsylvania, but was raised in Arizona. She has been interested and active in family history for over 35 years, and in April 2016, received a Bachelor’s Degree in Family History from BYU-Provo. She enjoys assisting patrons with their family

Jeanne Koniuszy history and loves teaching family history to others.
Jeanne is the wife of Tom Koniuszy and the mother of three children and seven grandchildren.

She has been serving as a Temple and Family History Consultant in her church organization for the past five years. Jeanne has been a Service Missionary at the Mesa FamilySearch Library since May 2014.
The meeting is free and open to the public. If you’re interested in pursuing or furthering your family history, we welcome you and encourage you to bring along a friend.
To register for a class, upcoming event, or to learn more about the Society, visit www.azwvgs.org, or call 623-933-4945.

Citizens’ Dog Park of Youngtown Update...

News You Can Use: Canine Happenings at the Dog Park!

“Until one has loved an animal, a part of one’s soul remains unawakened.”
-----Anatole France

Susan Hout, our Event Chair, printed out survey forms to find out what amenities our friends would like to see at the Dog Park.

We received many responses and the committee was pleased with the feedback we received. Please watch for future additions to the Dog Park, based on your feedback. Thank you again for taking the time to fill them out. You will soon see two more tables added to the park, with pavers underneath, and some shade coverings will be installed.

Regular maintenance and treatment for all Town parks is ongoing through our Public Works Department. Recent weed treatment and aeration have been done to promote the growth of the grass.

Please continue to donate at the following businesses that are assisting the committee in purchas-

ing much needed amenities for the Park: Koppy’s Body Shop, Town Tobacco, and the Youngtown Library. Donations may be brought into the Youngtown Town Hall at 12030 N. Clubhouse Square – Monday through Friday, from 8 a.m. until 4 p.m. Checks must be written out to the Town of Youngtown with the memo section filled out for Citizens’ Dog Park.

During the next few months, you and your four-legged friends will continue to see improvements to the park. This is why we need you to attend our meetings and give us your ideas, comments and suggestions.

Most dog owners are gracious enough to pick up after their dogs, but some are leaving their treasures behind. Let us continue to work together to keep the park clean and provide a safe environment for others.

The next Dog Park Committee meeting will be May 20th, at 9:30 a.m. at the United Methodist Church at the corner of Alabama and 113th Avenues. For further information, please contact Margaret Chittenden at 623-974-9756.

DOGGIE TIDBITS
“WHAT NOSE AROUND COMES AROUND”

A larger portion of a dog’s brain is dedicated to scent discrimination than is a human’s. That means that dogs can tell whether a human is nervous and fearful or relaxed just by his odor. They also have a keen memory for odors, and once a dog has met someone, especially if that person had an impact on him in any way, he will remember their scent forever.

Youngtown Community Fund News...

Thank you to all who helped in making the Yard Sale a success! We had many who donated goods for us to sell and wonderful volunteers for the sale.

Our many volunteers were from all over the country, winter visitors are great. Out of area volunteers included George and Mary Simpson from North Dakota, Dale and Donna Richardson from Minnesota and Carol Scott from Iowa. From local communities, we had Bill Taylor, Sue Patterson, Betty and Jim Trollen, Phyllis Piotrowski, Ray

and Madelon Jeffreys, Mary Bok and Sue Schreiber. On pick-up duty before the sale, we had several of the aforementioned volunteers as well as Barb and Tod Todd, Kevin Jeffreys and Carla Presley. The Easter Bunny stopped by as well to spread some Easter cheer during the sale. As much work as it was, the \$2,203 we earned will go a long way for storing and selling our items.

As you can see, the Youngtown Community Fund Yard Sale had thousands of items for sale. Even the Easter Bunny participated in the fundraiser. Items were displayed on tables outside, as well as inside. In all, the fundraiser tallied a nice total of \$2,203, which will help with storing and selling items. Thanks go to the community for your support.

Sunview Health and Rehabilitation Wins Prestigious Award

It always makes us happy here in Youngtown when we hear about the great things organizations are doing in our community!

Today, Mayor Mike LeVault, Town Manager Jeanne Blackman and Town Clerk Stacy Anderson, attended a celebration at Sunview Health & Rehabilitation. Sunview received a prestigious performance award from Ensign Group at an awards ceremony held on April 28th.

The Ensign Flag is an award sought after by hundreds of skilled nursing facilities throughout the nation and is a symbol of stellar quality in the skilled nursing arena. Some specific requirements of the award include excellent survey and financial performance, a professional appearance/environment, high marks in culture, employee/patient satisfaction, occupancy and compliance. Christopher Christensen, CEO of Ensign Group, presented the award. Staffs, residents, families of residents and all members of the community were invited to attend and enjoy appetizers, hors d’oeuvres, music and entertainment.

“I’m so proud of our team here at Sunview Health and Rehabilitation,” said Sean Hill, executive director. “They have worked so hard to make this place what it is today and they deserve every bit of recognition for their efforts.”

Sunview Health and Rehabilitation offers first-class skilled nursing and rehabilitation with 24-hour respiratory therapy in subacute and therapy departments, catering specifically to inpatient needs.

We are proud of you too, Sunview Health and Rehabilitation. Job well done!

Monthly Farmers Market
